Hello North Hornell Residents!

I wanted to let everyone know that the village has a Lending Library again. Nancy Loper, who lives on McKinley Avenue, worked with the village to place a new Lending Library in Barillo Park at the north end of the village.

What is a Lending Library - It is a free book exchange that belongs to everyone. If you see something you would like to read please take the book, read it and return. If you would like to leave a book for others to enjoy please place inside the Lending Library. Please use your best judgement when deciding on what books should be shared.

We think this is a great addition to our village community. Happy reading!

A little humor..... I just noticed my dog Lyla in the background of the picture.....which should be a reminder to clean up after your pets when walking them in our beautiful village!!

North Hornell Police Department – Police Chief Kyle Amidon

The Village of North Hornell Police Department continues to serve and protect the property and residents of the Village of North Hornell. We currently are at full staff and providing the hours budgeted in the community. The employees are doing a wonderful job and continue to meet with the residents and appreciate all the support they receive.

Chief Amidon and his staff continue to work very hard upgrading the department and equipment to provide the best service they can to you. With the support from the North Hornell Village Board and our taxpayers we are able to purchase these necessities to better equip each officer and provide the safety they need.

The Department was able to add a School Resource Officer position this current school year. Officer Nicole Cowdrick was hired in July of 2023 and has been working on adding security and assistance to the North Hornell Elementary School, its staff and our students. Officer Cowdrick is a retired New York State Trooper with over 20 years' experience on the job. A contract was completed between the Hornell City School District and The Village of North Hornell this past summer for this new position. This program is an asset to the Village of North Hornell as well giving another officer to assist with our resident's needs.

Chief Amidon would like to remind all residents to submit their property check request forms prior to going on vacation to the North Hornell Village Hall and please complete all categories. Officers will do their best to complete routine property checks at your residences during your time away. A reminder to all residents that we are not a personal security service and cannot provide correspondence and feedback every time we check your residence. We will document our findings within our reporting writing system and contact you with any issues. Please respect this and our officers for their work and additional services.

Chief Amidon would also like to also remind residents to drop any outdated or over stocked prescription medication at the Prescription Drug Drop Box located at North Hornell Village Hall located at 4 West Maplewood Avenue during Village Hall Hours. This will eliminate from flushing hazardous material into our sewer lines along with the dangers of others getting their hands on them.

The department is continuing to research and write grants along with updating the equipment for the officer's use to help improve the safety and needs to better the agency and community of North Hornell. The department has been awarded multiple grants which has helped with the costs of projects for the department needs.

If you have any questions, concerns or suggestions please reach out to the email above or contact Village of North Hornell Police Department at 607-385-3063. We look forward to continuing to meet the members of the community and giving you the support and protection you value.

2023-24 Winter Parking Laws

With the winter months on the horizon, we feel that it is very important to review the parking rules on all roadways within the Village of North Hornell limits.

Parking on all Village Streets is not permitted between December 1st and March 1st from 2:00 am-6:00 am.

If your vehicle is parked during those hours, you may be subject to a parking ticket from the North Hornell Police Department for each instance.

During this time of the year, it is necessary for our staff to plow roads during the inclement weather. Plowing often occurs during the early morning hours. Vehicles parked on the roadway make it difficult.

We would like to thank you in advance for your assistance with this matter.

- Specifically, Article 1219 of New York State Vehicle and Traffic Law makes it illegal to put your snow into a street or highway. The law covers a number of other hazards to people **driving** in the street, and violating it could lead to a \$150 fine and even 15 days in jail
- Article 131-11 of the North Hornell Village code reads: No vehicle shall be parked on any public roadway within the corporate limits of the Village of North Hornell between the hours of 2:00 AM – 6:00 AM during the period beginning December 1st and ending March 1st of the year.

This law is on the books to allow the Village of North Hornell Department of Public Works to adequately clear the roads of snow for the safety of all who operate motor vehicles on them.

Does the Village have leaf pickup in the fall? Yes we do!

What do I do if my water is dirty? We recommend that you first call the City of Hornell water department. They handle all water issues. It is also a good idea to let us know if and where there is a problem in the Village.

Please call Village hall and we will give you all the necessary paperwork and put you in touch with the code enforcement officer. Not everything needs a permit, but it is best to check with us first.

Remember to call and verify that your contractor is licensed to work in the Village.

Who do I call if I have a question about my assessment? Call Katherine Gabriele at the Town of Hornellsville. She can answer all your questions and help to lower your assessment if possible. If not,

grievance day is the last Tuesday in the Month of May. Village hall mails out the Village taxes June 1st.

Where do I get my dog licensed? Dogs are licensed in the Town of Hornellsville, 1 Park Dr. in Arkport. **Cats** are licensed in N Hornell at Village Hall.
